A New Look

Your RLBC Board purchased 6 new scoreboards for the club. They are much sturdier than our current scoreboards and are easier to use. At \$200 a board, we think we got a pretty good deal. Thanks to Doug Normand for using his tough negotiating skills and to Doug Propp from the Mayfair Lawn Bowling Club in Saskatoon for arranging to have them made.

By the way – if anyone is heading to Saskatoon and can accommodate bringing the signs back to Regina – please let Doug know! Thanks.

**You Don't Know Jack
If You Don't Lawn Bowl**

Welcome Isaac Tamlin – “Jack” of All Trades

Isaac has joined the RLBC as a ‘general laborer’ under the Canada Summer Student Grant program. Part of his time will be spent co-ordinating membership play-time, answering phone calls, and general office work. The other part of his day will be spent helping Doug with outside yard maintenance. Isaac is our “COVID” guy. Isaac will be handling all paperwork related to COVID return to play restrictions, sanitizing equipment, setting up greens for play, and anything else that falls under COVID guidelines. Please join the RLBC Board in welcoming Isaac to our team.

General Labourer – Driving Force

The Regina Lawn Bowling Club was able to secure two summer placement jobs (thanks Karen Schlotter and Doug Normand) and so we are looking to hire a general laborer who will help the greenskeeper this summer. No one has been hired yet – but we have received excellent interest from our latest job posting.

Return to Bowl Guidelines

We’re Back! And Rolling again! The City of Regina approved the RLBC’s Return to Play plan and we were able to start rolling bowls on Monday, June 29. Thanks to the team of Judy Whiting, Janet Watson, Jordan Kos and Lois Kos for getting the clubhouse ready to re-open ~ and to Doug Normand for working with the City of Regina to get our Return to Play protocol approved! Remember to complete your application for membership form ~ and all the COVID documentation and waivers required before you roll bowls. All information was sent to the membership through a communication on June 28. See you on the Greens!

Happy Canada Day

This is not the way we had hoped to spend Canada Day at the greens this year. Most members look forward to spending Canada Day at the Regina Lawn Bowling Club rolling bowls in a friendly game followed by refreshments – every one dressed in their Red and White. The Regina Lawn Bowling Club Board of Directors wishes you and your family a Happy Canada Day!

"DRIVE" FOR SUCCESS

TIP | Balance is a key component to a good delivery. Your head and body needs to be steady. You should be able to stay down and remain in your bowls stance at least 2 – 3 seconds after releasing your bowl.

The RLBC would like to thank the volunteers who came out on 3 or 4 occasions to Top Dress the Greens. While the greens weren't being used, this was the perfect time to "Dress for Success" – and our greens are looking mighty-perdy! Our Team of Top Dressers were – Garth Zummack, John Gale, Doug Normand, Doug Lambert, Jeannene Demencuik, David Calam, David Ackerman, Gerald Bocking, Russ Mattick, Jim Gares, Tim Zulkoski, Keith Roney, Jean Roney, Ernie Meid and Bo Kos.

D CUBED

Thanks to the "D" Team for replacing the plinths on Green C. Lead by David Ackerman – and his team of professionals – we thank, David Calam and Doug Normand. Not quite finished yet – but will be soon.

National Bowls Day – June 6, 2020

Virtual National Bowls Day was celebrated on June 6. Bowls Canada Boulingrin sponsored prizes and there were some lucky winners of Bowls Canada merchandise across Canada.

COVID-19 and the restrictions placed on outdoor activities has provided an opportunity for our Greenskeeper to do some much needed maintenance on all four greens. With some of the restrictions lifted, you'll want to make sure you have your membership renewed for the 2020 season so that you can roll some bowls.

On March 27, our communications director sent the membership the President's kit which included a membership form. Return your membership and payment to the address listed on the Membership form – or – drop it off in the mailbox at the clubhouse.
